

O Lord our God, crown these Your servants with glory and honour!

~ Wedding Hymn of the Crowning

Celebrate Your Wedding at St. Demetrios Greek Orthodox Church!

From *Genesis*, God has blessed the institution of marriage. In the New Testament, Christ made it the stage for His first miracle. As He blessed the Marriage at Cana in Galilee, the Church asks God to bless your wedding in the Orthodox Church.

St. Demetrios Church has been the spiritual home of Greek Orthodox Christians since 1962. We know how important this day is for all of our couples.

Offering bilingual services, we strive to make your entire wedding experience both prayerful and filled with treasured memories.
